***Systems being installed:***

We will cover our 1 and 2 Day 4195 system with “Wicking Technology” and our most popular 5073 Polyurea / Polyaspartic Topcoat. We will demonstrate the best methods to use for our 5400 Waterbased Urethane and 5410 Pigmented Waterbased Urethane as well as floor prep, mixing, crack repair pros and cons, sales & marketing and a brief cabinet overview & assembly. There will also be a presentation on why a Polyaspartic does not adhere as well to concrete as an Epoxy Primer. The cost for the class is only \$250 which includes all materials, literature, beverages, lunch and snacks. You will also be leaving with samples that you can use to help sell jobs.
