

LAVA FLOW[®]

DECORATIVE METALLIC EPOXY FLOORING SYSTEM

Versatile's Lava Flow[®] Metallic Epoxy System is an interior grade 100% solids epoxy floor coating system. The finished look is a smooth, glass-like finish that has a unique and subtle reflective sparkle. No two floors will ever look the same. There are endless creative techniques that can be used to create a style that you can call your own. The Lava Flow[®] pearlescent pigment is mixed with our clear 4750 Metallic Grade Epoxy and does not require a separate top coat. An additional top coat may be applied, if desired to achieve greater scuff resistance, build, or gloss.

USES:

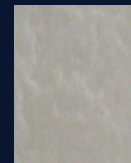

- Garage floors
- Residential floors
- Decorative concrete floors
- Industrial floors
- Commercial floors
- Retail floors
