

Roll on Rock® System 2 (4195 epoxy) Lifetime Adhesion Warranty

We are proud to offer this warranty to celebrate 10 years of history. Each year millions of square feet are installed without failures. Versatile Building Products Inc. (herein referred to as the "warrantor") hereby expressly warrants to the Purchaser that the Roll on Rock® 4195 Epoxy will provide the following performance when applied according to the Warrantor's instructions and all documentation have been fulfilled and submitted per the warranty registration form.

1. 4195 Epoxy will adhere to the bare concrete substrate and 4195 Epoxy will not peel when the moisture vapor emission is less than $8\text{lb}/1000\text{ft}^2/24\text{hour}$ according to ASTM F1869-98.

This warranty requires the following submittals for completion:

1. The Lifetime Warranty registration form has been filled out and returned with all required documentation within 30 days of the installation.

In the event of a 4195 Epoxy defect or malfunction determined to the Warrantor's satisfaction to be related to performance, the Warrantor will furnish replacement material, or full refund of the purchase price, at the sole discretion of the Warrantor. Warranty is limited to replacement in-kind of materials determined to be defective only. The Warrantor shall not be liable for consequential, liquidated, or related costs and damages resulting from failure(s) of the 4195 Epoxy. In the event of defect or failure related to the performance of warranted 4195 Epoxy, the Purchaser shall provide written notice, photos and material samples to the Warrantor within fifteen (15) days following the discovery of the defect. In acceptance of this warranty, Purchaser agrees that any legal action, and/or litigation against the Warrantor related to the legality and enforcement of this warranty shall be commenced in a court of competent jurisdiction within Orange County, State of California under the terms and conditions of California Law.
